during a  
significant health  
challenge.

## Online Community of Care

A personal CaringBridge website brings family and friends together online, surrounding a patient and their caregivers with love, hope and compassion.

*“On the first day I created my CaringBridge website I received 120 visits. I never could have communicated with 120 people in one day without this website.”*

– Sara Pallen,  
a woman in remission from leukemia
