websites that
connect family
and friends
during a
significant health
challenge.

Online Community of Care

A personal CaringBridge website brings family and friends together online, surrounding a patient and their caregivers with love, hope and compassion.

“On the first day I created my CaringBridge website I received 120 visits. I never could have communicated with 120 people in one day without this website.”

– Sara Pallen,
a woman in remission from leukemia
